

WALKING CHALLENGE

WALK TO THE MOON

Let's walk to the moon together!

Aiming to walk from the earth to the moon together with all participants.

If each participant walks at least 8,000 steps per day, we could reach the moon with the help of 2,000 participants throughout the 30 day-period!

Lots of universities participating this year!

Prizes for the top finishers!

If you reach 8,000 steps or more, you'll be entered in a drawing for a travel voucher!
