

2026 Annual Student Health Checks

(Please also read the reverse side.)

Important

◆ Periodic Student Health Checks

This is being conducted in accordance with the School Health and Safety Act. Get a health check every year. The results of a health check may be required for practical training, job hunting, further education, or scholarship applications. * The University will not issue a Health Check Certificate for those who did not get a Health Check.

◆ Schedule and those required to get Health Checks

Schedule (excluding weekends)	Those required to get Health Checks
April 15th (Wednesday) to April 28th (Tuesday)	All <u>1st year undergraduate students (must get a Health Check in April)</u> 3rd and 4th year students of the Faculty of Education, those who are planning to take swimming lessons 4th year students from other departments who plan to participate in teaching practice 4th to 6th year students of the School of Medical Sciences; 1st to 4th year students of the School of Health Sciences; 5th and 6th year students of the School of Dentistry 3rd, 5th, and 6th year students of the School of Pharmaceutical Sciences.
May 19th (Tuesday) to May 29th (Friday)	All students other than those who are required to get a Health Check in April (<u>excluding non-regular students</u>) and those who have not gotten a Health Check in April
June 1st (Monday) to June 10th (Wednesday)	<u>Those who were enrolled in the fall of the previous academic year and those on leave who plan to return this academic year should also get a Health Check.</u> Those planning to do an internship (School of Engineering) should get a Health Check in May.

* If you are a Nagasaki University student and subject to Nagasaki University employee health checks, please get an employee health check.

* Those who have gotten a health check in Japan on or after April 1, 2026 and those who are working and plan to get a company health check or the like do not need to get a university Health Check. If this applies to you, please submit a copy of your health check results to the Health Center.

◆ Venue: Second Conference Room in Bunkyo Campus Administration Bureau Building

(Enter the main gate and take the outside stairs next to the admissions center on the right to the 3rd floor)

◆ About the process leading up to your appointment

(1) Advance appointments

Appointment period: from 12:00 on April 9th (Thursday) to 18:00 on May 14th (Thursday)

(Appointments can be changed until June 6th.)

* 1st year undergraduate students must make an appointment by April 18th.

* Those of the departments where classes are suspended (4th to 6th year students of the School of Medical Sciences, 5th year students of the School of Dentistry, 3rd year students and some 5th year students of the School of Pharmaceutical Sciences) must check the syllabus and make an appointment as soon as appointments open.

Please access the website via the URL below, QR code, or the "Health Check Appointment System" on the Health Center website.

https://www.yoyaku.hc.nagasaki-u.ac.jp/comres_hc/u_start.php

You can check your appointment date and time by logging in again.
If you wish to cancel or change your appointment, please log in again.

* Appointments are limited in number. Appointments are scheduled every 10 minutes, but the required time for the Health Check is 30 to 60 minutes. Please make your appointment while taking into consideration your schedule afterwards.

* If you would like reasonable accommodations for your Health Check or would like to consult us about gender dysphoria or other matters, please contact the Health Center in advance.

(2) Fill out your medical questionnaire (time required: about 10 minutes)

Please respond via the URL or QR code below.
